Registration Agreements

Please initial each statement on the line

I have read all cancellation policies and procedures found on the Artistic Thirst Website.

I give Artist Thirst permission to take photographs of my child and/or their artwork to use as promotional material on Artist Thirst Website and Facebook page. *Child's name will not be used.*

Artist Thirst is not responsible for any lost or broken personal items.

Artist Thirst will cancel any session with registration of less than 3 participants. Artistic Thirst will give phone or email notification if this occurs and a full refund will be issued.

I will not bring my child to any session if he/she is sick and has had a fever within the past 24hours. I don't want others to get sick.

I understand if my child behaves inappropriately on more than one occasion, I will be called and my child may be dismissed. (We all have bad days; we are referring to continual disruptive behaviors).

We are excited to have your child expand their knowledge and love of art! We have projects which engage and excite your child in so many ways while they learn about the many wonderful ways to create beautiful art.

General Information

All payments are due on or before the first day of sessions. Registration is not complete until payment is received on the first day. Payment covers all supplies, materials and instruction time and may be paid by check or credit card. If you have more than one child attending a session, please call Marcia to inquire about sibling discounts at 919.610.298

Please, please be on time...in the morning when your child is dropped off and especially in the evening. We often have events in the evening which we need to prepare for.

If you have persons other than yourself that will be picking up your child or if your child will be going home with someone from camp, please provide their name and any other necessary information to positively identify them. (driver's license number)

Half day campers will need to bring a snack each day.
Full day campers will need to bring a snack and lunch each day.

Please make sure your child dresses appropriately for doing art projects. Some of the materials we use stain and are permanent. We do have aprons and make every effort to keep stuff from landing on your child's clothing, but sometimes it happens!

And Remember....

Art is exploration and unthreatening!

Art is not what you see, but what you make
